

FOR LITTLE FRIENDS

# My Baptism Book

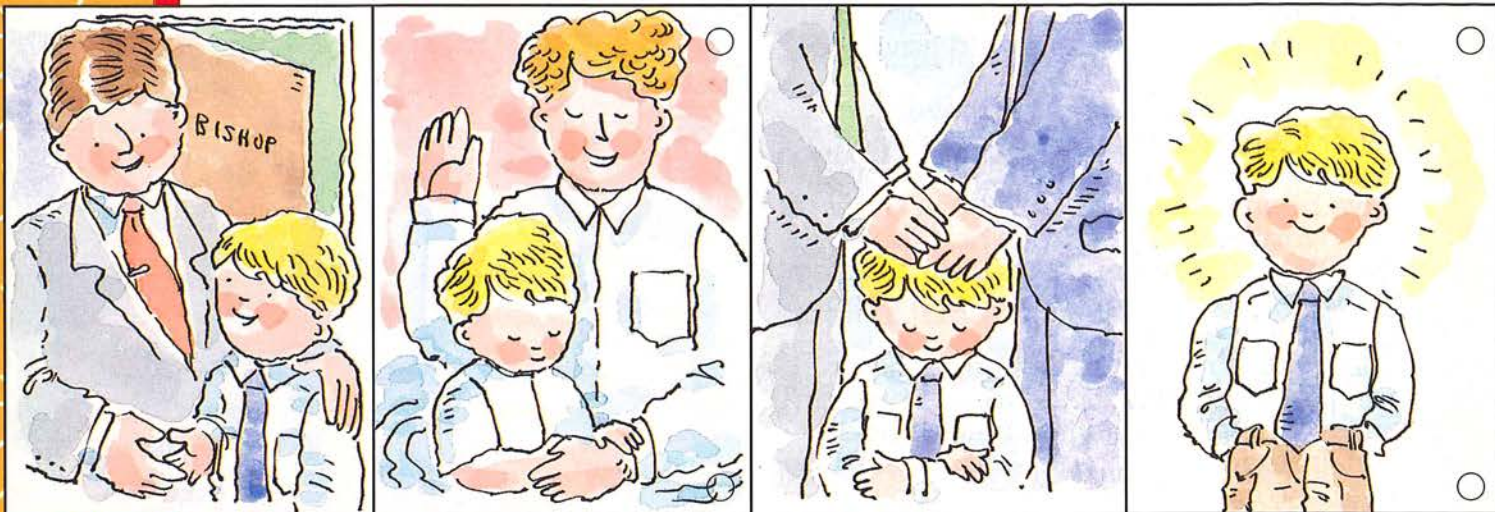

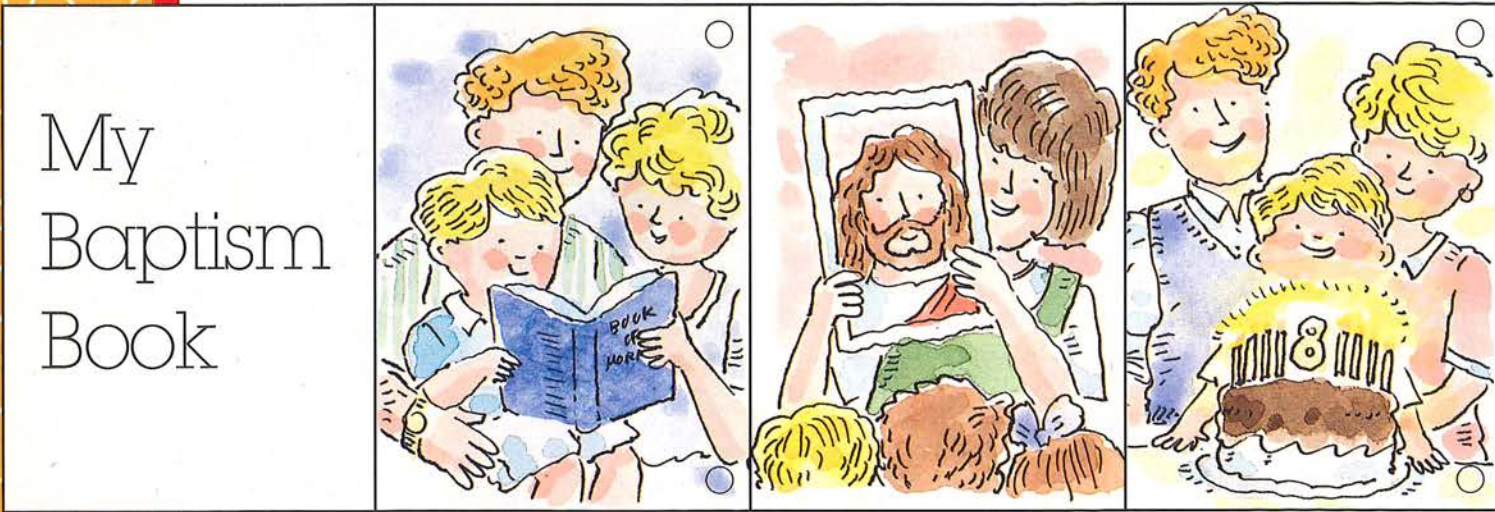

By Elise Black

Mount this page on a sheet of paper and ask a grown-up to cut out the two strips. Accordion-fold the strips along the lines, with the title page on top of the first strip and the bishop's interview picture on top of the second strip. Punch holes where indicated, stack the two folded strips, title page on top, and tie together with yarn as shown in the illustration. Tell the story to yourself and to your family.
