

FEELING GLAD

By Pat Graham

A smile is very
catchy.
And so when I
feel sad,
I try to give a
smile away,
And soon I'm
feeling glad!

FEELINGS

Your face can show how you feel. When you have done something wrong, you should feel sad and ask for forgiveness. Then you should try to not make the same mistake again. Heavenly Father and Jesus know that if you repent, you will be happy.

1. Carefully remove this page from magazine. Mount it on heavy paper, then cut out head and face.
2. Cut slits along broken lines; slip face through slits.
3. Move face up and down as you say poem on this page.
