

# Our Beautiful WORLD

## PART OF THE PLAN

As part of His wonderful plan for us, Heavenly Father created a beautiful world where we could receive a body and prove ourselves worthy to return to Him. Look at the smaller circles that show different parts of the world. Find the one that shows

where you live, and mark the spot where you live with a star. Then, in the large circle, draw a picture of yourself enjoying our beautiful world. Remember to thank Heavenly Father every day for our beautiful world. ●
