

## LISTEN TO THE PROPHET

BY CALLIE BUYS

I'll listen to the prophet—  
The one who speaks today.  
I'll try my best to follow  
All the words he'll say.

I'll listen to the prophets—  
The ones from long ago.  
I'll read the words they wrote  
Of important truths to know.

When I listen to the prophets—  
From past and present too—  
I hear the words of Jesus Christ  
And learn what I should do.
