Dear Brothers and Sisters:

Youth Participation in the Baptistry and Preparing Children for Priesthood and Temple Service

We are grateful for the increase in temple and family history work being completed by the faithful youth of the Church. In unprecedented numbers, young women and young men throughout the world are researching, finding, and bringing family names to the temple to perform baptisms and confirmations.

We are pleased to announce the following changes, effective on January 1, 2018:

- Under the direction of the temple presidency, young women (ages 12-18) with a limited-use temple recommend may assist with baptistry assignments currently performed by sister temple ordinance workers and volunteers.
- Under the direction of the temple presidency, all priests in the Aaronic Priesthood with a limited-use temple recommend may officiate in baptisms for the dead, including serving as the baptizer and as a witness. Bestowing the gift of the Holy Ghost continues to be solely a Melchizedek Priesthood function.
- The Primary's Priesthood Preview meeting will be modified to include both 11-year-old boys and girls and will be called the Temple and Priesthood Preparation meeting. This will be an opportunity for priesthood, Primary, and youth leaders to help girls and boys, and their parents, understand the significant blessings of temple service, priesthood service, and making and keeping sacred covenants. For more information, see [Primary.lds.org](http://Primary.lds.org).

We are confident that these changes will bless the lives of youth and children throughout the Church.

Sincerely yours,
