Seneca Lake Camp Rules
Seneca Lake Camp was created to serve the Church’s Young Women Camping program and other Youth activities. Its location on the shores of Seneca Lake in the historical “cradle of the restoration” makes the Camp attractive for use by other Church groups and families. This document is intended to define the rules for use and management of the camp. These rules are intended to govern many situations in the camp, but they may be modified by the camp director without notice, as circumstances require.

General Information and Policies
• Check-in time is no earlier than 2:00 PM unless previously approved by the Camp Director.
• Check-out time is no later than 11:00 AM unless previously approved by the Camp Director.
• Campsites must be cleaned according to posted instructions, and checked by the Camp Director prior to departure.
• Damage found while your group is in camp or after your group leaves will be charged to your group.
• Report to the Camp Director any damage to building or equipment either before or as a result of your group’s use of the camp facilities.
• No generators are permitted. Electricity is available in cabins, pavilions and restrooms.
• No pets are permitted.
• No camp trailers, RVs, or motor homes are permitted except in designated rental sites.
• Service projects are available upon request. Please let the Camp Director know of your interest before you arrive.
• Quiet hours are from 11:00 p.m. through 7:00 a.m. each night. Please be courteous to other campers.
• Please be sensitive to the noise from your camp or group. Do not disturb the other campers. Walk around, not through, other camps.
• Use of buildings or camp areas not assigned to your group is prohibited.
• Cooking is permitted only in the fire rings and grills provided.
• Restroom facilities are equipped with flush toilets and are available to all campers. Toilet tissue, hand soap, and hand towels are provided in the sink areas. Hot showers are available - bring your own bath towel and soap.

Supervision
• Adult leaders of youth are responsible for supervising all members of the group.
• Groups of youth must have two-deep adult leadership at all times while at the camp.

Sleeping Accommodations
• Each campsite has two or three cabins. Each cabin has 16 built-in beds (8 bunk beds). Fire regulations prohibit more than 16 persons from sleeping in a cabin.
• No flames are allowed in cabins. No cooking or food storage is permitted in cabins.
• Use only the cabin’s overhead electric lights or your own battery-operated lights.
• Tents may pitched only in designated tent tenting areas. If additional sleeping accommodations are desired, please reserve additional campsites.
Sunday Use
Reservations for overnight accommodations at Seneca Lake Camp are permitted on Sunday only for groups that have travelled considerable distance (over 250 miles). These guests are expected to observe appropriate Sabbath day activity, including attendance at local worship services. Use of the camp for casual recreation is not permitted on Sunday. Guests from local areas may not reserve space in the camp on Sunday, and are expected to return to their home units for Sabbath observance.

Recreation
• Numerous hiking trails are available. For your safety, please do not hike without the consent of the Camp Director.
• Always hike with another person - use the "buddy system." Do not hike off the groomed trails or cross-country.
• Do not pick wild flowers or tamper with native vegetation.
• Please carry out all trash.
• To use the waterfront facilities, you must make prior arrangements with the Camp Director.

Dress, Grooming and Conduct
• Each group should be respectful and considerate of other camp guests.
• Dress and grooming should be modest, tasteful, and conform to LDS Church standards.
• For your safety, it is recommended that closed-toe shoes be worn.
• Campers are expected to observe LDS standards of conduct and speech.
• No use of tobacco, alcohol or illegal drugs is permitted.

Campfires
• Campfires are allowed only in provided campfire rings.
• Ample firewood is available. Do not bring firewood from home.
• Fires must be attended at all times. Make sure fire is completely out before leaving.
• Fire extinguishers are located in each building and cabin.
• No campfires may be built on the day of departure without approval of camp operator.

Safety and Security
• The following are prohibited at camp: firearms, air guns, alcoholic beverages, tobacco products, illegal drugs, skates, skateboards, ATVs, roller-blades, candles, fireworks, or sparklers.
• Provide your own first aid and emergency supplies.
• Be aware of those who should be in your group. If unauthorized persons are observed near your campsite, please notify the Camp Director immediately.
• Park vehicles only in the areas designated by the Camp Director. If you need to load/unload your vehicle during the arrival/check-out periods, see the Camp Director for instructions. After unloading, all vehicles must remain in the parking area by the Zion Dining Hall.
• Do not move logs or other barriers in the camp.
• Nothing should be attached to any tree, building, cabin or sign with screws, nails or tape.
• In case of emergency, contact the Camp Director.
• In case of fire or other emergency, follow all orders given by the camp operator or other emergency management personnel.
• In case of severe storms, seek shelter in the cabins.
**Group Capacity Limits**
Groups arriving larger than the capacity they have reserved, without prior written arrangement with the camp director, may be asked to reduce the size of their group to the agreed capacity. The group will be responsible for offsite accommodations for its excess members.

**Maintenance Projects**
Groups are encouraged to provide service to Seneca Lake Camp under the direction of the Camp Director. Please do not perform service projects without first clearing them through the Camp Director.
