**3** Why is it important to understand that we are God's offspring, or children?

So we will define ourselves by our achievements and desires in this life.

So we can be perfect in the way we like Christ was if we try hard enough.

So we can understand our essential and our infinite value to Heavenly Father.

**31** What have you learned in Jesus Christ, including a miracle, parable, or truth from the New Testament that helped strengthen your belief in Jesus Christ. Include your personal thoughts on why Jesus Christ is important in your life.

Word count 82

I liked the story of the father who brought his possessed son to the Savior asking him to heal him. When the Savior asked if he believed, the man said yes, and then said, help mine unbelief. I feel we need to rely on the Savior to help our unbelief so that our testimonies will keep growing. When I don't completely understand something about the Gospel, I know that if I have faith in the Savior I can keep improving my knowledge.

**EVALUATE MY RESPONSE**

Compare your response with response guide mentioned below

**Explanation:** A miracle, parable, or truth from the New Testament that helped strengthen your belief in Jesus Christ. Include your personal thoughts on why Jesus Christ is important in your life. You may have written something similar to one of these statements:

- The story of the woman with an issue of blood and how she reached out to the Savior and was healed teaches me that if I reach out to the Savior, He can help me overcome the problems in my life.
- The parable of the lost sheep. This shows Christ's love for every single one of us, and it helps me know He is always there for me, even if I may get lost and wander off the path sometimes.

Mark either "Yes" or "No" based on the main idea you have explained in your response, is in line with the response guide
