

THE GOSPEL OF JESUS CHRIST

WHAT IS THE GOSPEL OF JESUS CHRIST?

The gospel of Jesus Christ is our Heavenly Father's plan for the happiness and **salvation*** of His children. It is called the gospel of Jesus Christ because the **Atonement** of Jesus Christ is central to this plan. According to His plan, our Heavenly Father sent His Son, Jesus Christ, into the world to show us how to live meaningful and happy lives and experience eternal joy after this life. Through the **grace** and mercy of Jesus Christ, you can become clean from sin and enjoy peace of conscience. You can become worthy to live in our Heavenly Father's presence after this life.

To receive this peace and strength, you must learn and follow the principles and **ordinances** of the gospel. A principle is a truth that can be applied in life; an ordinance is a sacred, formal act performed by the authority of the priesthood and is often a means of entering into a **covenant** with our Heavenly Father. The first principles of the gospel are faith in Jesus Christ and repentance. The first ordinances of the gospel are **baptism** and receiving the Holy Ghost.

After you learn and follow the first principles and ordinances of the gospel, you seek to follow Christ's example throughout the remainder of your life. This continued faithfulness is called "enduring to the end."

You can live the gospel of Jesus Christ by:

- *Developing faith in Jesus Christ.*
- *Repenting.*
- *Being baptised and receiving the Holy Ghost.*
- *Enduring to the end.*

*Words in red are defined on pages 18 and 19.

FAITH IN JESUS CHRIST

Faith is a strong belief that motivates a person to act. Faith that leads to forgiveness of sins is centred in Jesus Christ, whose Atonement makes forgiveness possible. Faith in Jesus Christ is more than a passive belief in Him. It means believing

that He is the Son of God and that He suffered for your sins, afflictions, and infirmities. It means acting on that belief. Faith in Jesus Christ leads you to love Him, trust Him, and obey His commandments.

“Trust in the Lord with all thine heart; and lean not unto thine own understanding.

“In all thy ways acknowledge him, and he shall direct thy paths.”

Proverbs 3:5–6

REPENTANCE

Faith in Jesus Christ leads you to want to change your life for the better. As you study the gospel, you recognise that you have sinned,

or acted against the will and teachings of God. Through repentance, you change those thoughts, desires, habits, and actions that are not in harmony with God’s teachings. He promises that when you repent, He will forgive your sins. When you repent you:

Recognise that you have sinned and feel sincere sorrow for what you have done.

Stop doing what is wrong, and strive never to do it again.

Confess your sins to the Lord and ask for forgiveness. Doing so relieves a heavy burden. If you have sinned against another person, you also ask that person for forgiveness.

Faith in Jesus Christ is the first principle of the gospel.

Make restitution. You do all you can to correct the problems your actions may have caused.

Keep the commandments. Obeying God's commandments brings the power of the gospel into your life. The gospel will give you strength to abandon your sins. Keeping the commandments includes giving service, forgiving others, and attending Church meetings.

Acknowledge the Saviour. The most important part of repentance is the realisation that forgiveness comes because of Jesus Christ. Sometimes you may have felt that God will not forgive serious sins. But the Saviour suffered for our sins so they can be put behind us, even the serious ones. The result of true repentance is forgiveness, peace, comfort, and joy.

Repentance does not always mean making big changes. Often it simply requires an increased commitment to live according to God's will. True repentance does not always happen quickly; be patient with yourself as you strive to do what is right and correct mistakes you make. As you repent, you will experience a change of heart. You will no longer desire to sin. You will come to know that you are a child of God and that you need not continue making the same mistakes over and over. Your desire to follow God will grow stronger and deeper.

We all make mistakes. Sometimes we harm ourselves and seriously injure others in ways that we alone cannot repair. We break things that we alone cannot fix. Then we feel guilt, humiliation, and suffering, which we alone cannot cure. The healing power of the Atonement can remedy what we cannot repair.

BAPTISM AND THE HOLY GHOST

Faith in Jesus Christ and repentance prepare you for baptism and receiving the Holy Ghost. Jesus Christ taught that everyone must be baptised of water and of the Spirit (the Holy Ghost) for the remission, or forgiveness, of sins. Through baptism by one who holds priesthood authority and through receiving the Holy Ghost, you will be spiritually reborn.

Why Do I Need to Be Baptised?

Jesus Christ set the example for us by being baptised to “fulfil all righteousness” (Matthew 3:15). When you are baptised, you receive a remission of your sins (see Acts 2:38). You make a covenant, or promise, with God: you promise to accept Jesus

Christ as your Saviour, to follow Him, and to keep His commandments. If you do your part, your Heavenly Father promises to forgive your sins. When you are baptised by proper authority, your sins are washed away.

“Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.”

John 3:5

Baptism involves a brief immersion in water. This is how Jesus Christ was baptised. Baptism by immersion is a sacred symbol of the death,

burial, and Resurrection of Jesus Christ; it represents the end of your old life and the beginning of a new life as a follower of Jesus Christ.

Why Do I Need to Receive the Holy Ghost?

While baptism washes you of your sins, the Holy Ghost sanctifies, or purifies, you. If you remain faithful to your baptismal covenants, you can have the Holy Ghost with you always.

Jesus Christ was baptised by John the Baptist.

All good people can feel the influence of the Holy Ghost, but only those who are baptised and who receive the Holy Ghost have the right to His constant companionship throughout life.

The Holy Ghost helps you recognise and understand truth. He provides spiritual strength and inspiration. He comforts you in difficult times and guides you in making decisions. You can feel God's love and influence in your daily life through the Holy Ghost.

You can be taught and guided by the Holy Ghost.

“The Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.”

John 14:26

Your ability to enjoy this divine gift depends on your obedience to God's commandments. The Holy Ghost cannot remain with those who do not live according to God's teachings. They lose the privilege of His guidance and inspiration. Always strive to be worthy of the companionship and direction of the Holy Ghost.

You receive the Holy Ghost after baptism. In an ordinance called **confirmation**, one or more authorised priesthood holders lay their

hands on your head. They confirm you a member of the Church and bless you to receive the Holy Ghost. This ordinance normally takes place in a church service soon after baptism. When you are baptised and confirmed, you become a member of The Church of Jesus Christ of Latter-day Saints.

Words in red are defined on pages 18 and 19.

The Holy Ghost is given by the laying on of hands.

The Sacrament

After you are baptised, you can renew your baptismal covenants each week by partaking of the **sacrament**. During the sacrament service, bread and water are blessed and passed to the congregation as a reminder of the Atonement of Jesus Christ. The bread represents His body, and the water represents His blood. As you renew your baptismal covenants, you are promised that you will have the Spirit, or the Holy Ghost, with you always.

The sacrament helps you remember with gratitude the life, ministry, and Atonement of Jesus Christ.

Words in red are defined on pages 18 and 19.

The sacrament helps us remember Jesus Christ.

ENDURING TO THE END

You become a member of The Church of Jesus Christ of Latter-day Saints through faith in Jesus Christ, repentance, and the ordinances of baptism and confirmation. After you become a member of the Church, you will continue to grow in understanding. You will continue to exercise faith in Jesus Christ, repent, renew your baptismal covenants by partaking of the sacrament, and follow the guidance of the Holy Ghost. These first principles and ordinances of the gospel are a pattern to follow throughout life. This lifelong commitment is often called “enduring to the end.”

Enduring to the end brings direction, peace, and happiness to life. You will feel the joy of trying to become more like Jesus Christ as you serve and help those around you. You will better understand your relationship with your Father in Heaven and feel His perfect love for you. You will feel hope and a sense of purpose in an often unhappy and troubled world.

*The gospel of Jesus Christ
is a way of life.*

*“Ye must press forward with a
steadfastness in Christ, having a
perfect brightness of hope, and a love of
God and of all men. Wherefore,
if ye shall press forward, feasting
upon the word of Christ, and endure
to the end, behold, thus saith the Father:
Ye shall have eternal life.”*

2 Nephi 31:20

HOW CAN I KNOW?

The gospel of Jesus Christ has been restored through revelation from God to the Prophet Joseph Smith and to other prophets.

You can know for yourself that these things are true by asking your Heavenly Father in prayer. He will answer you through the Holy Ghost, who is also called the Spirit of God. The Holy Ghost witnesses, or testifies, of Heavenly Father and Jesus Christ. The Holy Ghost confirms truth through feelings, thoughts, and impressions. The feelings that come from the Holy

Ghost are powerful, but they are also usually gentle and quiet. As taught in the Bible, “The fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, [and] temperance” (Galatians 5:22–23).

These feelings are a confirmation from the Holy Ghost that this message is true. You will then need to choose whether you will live in harmony with the gospel of Jesus Christ as restored through Joseph Smith.

How Do I Pray?

- *Address your Heavenly Father.*
- *Express the feelings of your heart (gratitude, questions, requests to confirm the truth of the Book of Mormon and the teachings of the missionaries).*
- *Close (“In the name of Jesus Christ, amen”).*

LIST OF TERMS

Atonement The event that enables us to be reconciled to God. To atone is to suffer the penalty for sin, thereby removing the effects of sin from repentant sinners. Jesus Christ was the only one capable of making a perfect Atonement for all mankind. His Atonement included His suffering for our sins, the shedding of His blood, and His death and Resurrection. Because of the Atonement, everyone who has lived will be resurrected. The Atonement also provides us with a way to be forgiven of our sins and to live forever with God.

Baptism An essential step in receiving forgiveness of sins. Through baptism and confirmation by priesthood authority, we become members of The Church of Jesus Christ of Latter-day Saints. Baptism is by immersion, meaning that the person being baptised is briefly submerged in water. Baptism shows our willingness to follow Christ's example and to make covenants with God.

Confirmation The way a person receives the Holy Ghost. In this ordinance, which usually takes place in sacrament meeting soon after baptism, the person is confirmed, or made, a member of The Church of Jesus Christ of Latter-day Saints.

Covenant An agreement between God and His children. God gives the conditions for the covenant, and we agree to obey Him. God promises certain blessings for our obedience.

Grace Divine help and strength given through the mercy and love of Jesus Christ. Through His grace, made possible by His Atonement, all mankind will be resurrected. Through His grace, those who continually repent and live according to His gospel will feel an enduring closeness to their Heavenly Father in this life and live in His presence after this life.

Ordinance A sacred, formal act performed by the authority of the priesthood. Examples include baptism, receiving the Holy Ghost, and the sacrament. Ordinances are often a means of entering into covenants with God.

Sacrament An ordinance that reminds Church members of the Atonement of Jesus Christ. By partaking of the sacrament, we renew the covenants we make at baptism. Bread and water are blessed and given to the congregation. The bread represents the body of Jesus Christ, and the water represents His blood. This ordinance occurs each week in a worship service called sacrament meeting.

Salvation Deliverance from sin and death. Salvation is made possible by the Atonement of Jesus Christ. Through the Resurrection of Jesus Christ, everyone will be able to overcome the effects of death. We can also be saved from the effects of our sins through faith in Jesus Christ. This faith is manifested in a life of repentance and obedience to the laws and ordinances of the gospel and service to Christ.
