

# I've Got to Find Out Who I Am

Words by Michael H. McLean  
Music by William J. Evans

9  $E^b\text{add}^9$   $B^b\text{add}^9$   $B^b\text{m}^9$

The mel - o - dy's fam - il - iar, \_\_\_\_\_ I've heard this song be - fore\_

$A^b\text{add}^9$   $A^b\text{m}^9$   $G\text{m}^7$   $C\text{m}^7$   $F\text{m}^7$

It's been a - round\_ ten thou - sand years, \_\_\_\_\_ Or may - be ev - en more\_

$F\text{m}^7/B^b$   $E^b\text{add}^9$   $B^b\text{add}^9$   $B^b\text{m}^9$

And ev - ry - bod - y's sung it, \_\_\_\_\_ At least I think they've tried, \_

$A^b\text{add}^9$   $A^b\text{m}^9$   $G\text{m}^7$   $C\text{m}^7$   $F\text{m}^7$   $F\text{m}^7/B^b$

But ev - en when\_ the sing - ing's\_ done\_ This song goes on in - side. \_\_\_\_\_

$F\text{m}^7/B^b$   $E^b$   $F\text{m}^7$   $G\text{m}$   $G^7$

I've got to find out who I\_ am\_ I've got to find out who I\_ am\_ Got to\_ know.

$C\text{m}^7$   $C\text{m}^7/B^b$   $F^7/A$   $F^7$   $B^b$   $B^b/A^b$   $E^b/G$   $B^b/F$   $G^7$

and got to\_ see\_ what's mak - ing me, me\_ I've got to\_ And

$C\text{m}$   $C\text{m}/B^b$   $F^7$   $F\text{m}^7/B^b$   $E^b$   $F\text{m}^7$   $E^b/G$   $A^b/B^b$

when I\_ do\_ I know\_ I'll be what I\_ can\_ When I find out who I\_

$E^b$   $A^b$   $E^b$   $F\text{m}^7$   $E^b/G$   $A^b/B^b$   $E^b$

am. I'll be all I\_ can\_ When I find out who I\_ am.
