1. Help us, Lord, to do Thy will, Let Thy pre - sence ling - er still.
 2. Help us leave no need un - filled. Help the an - guished cry be stilled
 3. May our hearts, in har - mo - ny, Search for truth on bend - ed knee,
 4. Help our hands to dai - ly find Tasks the Sa - vior brings to mind.

May our lips pro - claim Thy word, Ev - er in Thy praise be heard.
 And in serv - ing may we be Filled with sweet fe - li - ci - ty.
 And re - pent when need is found, Build - ing on more sol - id ground.
 Nail prints as the e - vi - dence, How can we make re - com - pense?

Let our eyes re - flect Thy light, Heavn - ly goals our pur - pose bright.
 May we each both night and day Live the kind - er Christ like way.
 Love our watch - word, peace our plea, Fami - lies for e - ter - ni - ty.
 May our de - di - ca - tion be Lives of ser - vice Lord to Thee.
