1. Je - sus, ho - ly sa - vior ten - der, wrap thine arms a-round my care
2. Al - ways up - ward I am stri-v ing, al - ways I Thy face do seek,
3. Nev - er leave my side, dear Sa - vior, I could nev - er live a - lone

Hold it while I trem - ble on- ward. Let it not my feet en - snare.
Al - ways bet - ter worlds I'm ho - ping for the hum - ble mild and meek.
With - out lov - ing arms a - round me or Thy smile from heav-en's dome.

Watch me as I strug-gle for - ward, help me as I cry to Thee,
Faith in Thee has been my watch- cry, hope on grace has been my strength,
How I long to sing Thy prais - es with ce - les - tial worlds on high,

Let me feel Thy spir-it ev - er as Thy child I come to Thee.
Liv - ing for the prom-ised bles-sing to be healed and saved at length.
Ho - ly Fath - er, ten- der Sa - vior, couldst Thy throne for e'er be nigh.
