

All as One

All as one, in singing
Let us our voices raise.
All as one, in gladness,
Our Holy God we praise.
Angels gather round us
And join our grand accord.
All the heavens witness
And honor Christ, the Lord.

All as one, rejoicing
We gather in this place
Filled with sweet thanksgiving
For Christ's redeeming grace.
Children of salvation,
We call on Jesus' name.
All as one, believing,
His mercy we proclaim.

All as one, united
In heart, and mind, and might,
Bound by sacred covenants
We walk in Jesus' light.
Sin's dark host assembles
But at His name they flee.
Death and hell are vanquished
By Jesus' victory.

All as one, in triumph,
Behold the Great I AM
Riding clouds to judgment:
His banners fill the land.
Justice' thunder passes
As mercy's light breaks forth.
All as one, we worship
Christ, King of all the Earth.
