

# For the Strength of Youth

Words and Music by  
John V. Pearson

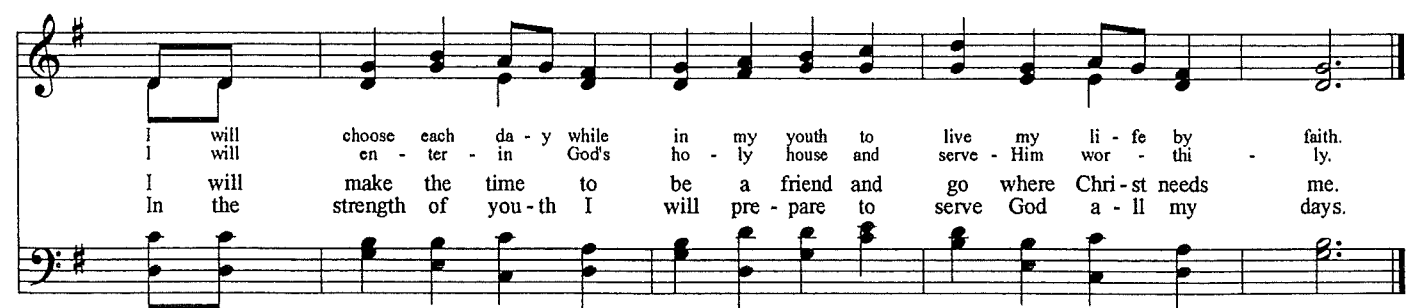

In the strength of the youth I'll serve the Lord With heart and mi - nd and might.  
I will strive to keep the Sab - bath day. I'll love my fam - i - ly. deed.  
I will give my ti - me and all I own to help this work go forth.

I will stand for tru - th and right - eous - ness. I'll strive to do what's right.  
I will keep His laws of chas - ti - ty. I'll keep to my bod - y clean.  
I'll o - bey the Word of Wis - dom, too. That God may strength - en me.  
With my strength and wi - t - ness I will build Christ's king - dom here on earth.

I will seek through pray - er and God's own word to know the Sav - ior's way.  
I will hon - or sa - cred cov - e - nants to where e - ver I may be.  
I will use my ha - nds to lift the poor: to com - fort, warm, and feed.  
I will fill my hea - rt with songs of hope. I'll lift my soul with praise.

I will choose each da - y while in my youth to live my li - fe by faith.  
I will en - ter in God's ho - ly house and serve - Him wor - thi - ly.  
I will make the time to be a friend and go where Chri - st needs me.  
In the strength of the youth I will pre - pare to serve God a - ll my days.
