1. With the faith of Alma and Nephi We haste to serve the Lord. He's
2. Like Ammon and Aaron before us We seek out every soul. We
3. With Nephi and Lehi beside us, We preach to all we see With
4. We're the children of saints and of prophets Who saw the Savior come, Who

called us to His mighty work And given us His Word. Lo, the
teach them that salvation comes Through Jesus Christ the Lord. We
power and authority, Convinced them to believe. May
joined their hearts, and joined their souls To build up Zion as one. How

field is ready to harvest! We do not dare delay. The
suffer fatigue, thirst and hunger, Rejoicing in His cause. With
angels come in glory With heaven's cleansing flame To
glorious the privilege before us. Be valiant in the cause. For

work is hard, but Christ the Lord Will strength - en us to - day.
all our might we sacrifice To triumph with our God.
those who would be born again And call on Jesus' name.
we shall build a place of peace Where we shall greet our God.
