Subject: Broadcast Information for the January 2012 CES Devotional for
Young Adults

THE CHURCH OF
JESUS CHRIST
OF LATTER-DAY SAINTS

A CES devotional for young adults ages 18 through 30, both married and single, will be transmitted over the Church satellite system on Sunday, January 8, 2012, with subsequent rebroadcasts to many areas of the world. The speaker will be Elder Jay E. Jensen of the Presidency of the Seventy. The broadcast will originate from the Brigham Young University campus in Provo, Utah.

The attached materials include broadcast information for the Church satellite system, the Internet, and other media. This information is also available online at broadcastinfo.lds.org.

This notice, with attachment, is being translated and will be distributed to units identified as Albanian, Armenian, Bulgarian, Cambodian, Chinese, Czech, Danish, Dutch, Finnish, French, German, Hungarian, Indonesian, Italian, Japanese, Korean, Latvian, Mongolian, Norwegian, Polish, Portuguese, Romanian, Russian, Samoan, Spanish, Swedish, Thai, Tongan, Ukrainian, and Vietnamese. Distribution in these languages will be complete within two weeks. Additional broadcast languages may be listed in the attachment. Please notify units whose leaders or members speak these languages so that all who are invited may know when to attend the broadcast in their language. If leaders need this notice in languages not listed above, they may contact the Area Presidency or the member of the Presidency of the Seventy who supervises the area. Area leaders can forward requests to Church headquarters (1-801-240-2933).

Equipment Information

Satellite receivers are preprogrammed. No adjustments are necessary. Languages are preprogrammed in the receivers.

For general information about setting up equipment for a broadcast, refer to the *General Satellite Program Instructions for the Stake Technology Specialist*, which should be located near the satellite receiver. These instructions may be updated or redistributed during the year.

Please set up your EJ10 adapter box (crab box) or Transmission Telephone Audio Interface (TTAI) in case an audio backup is needed during the broadcast.

For information about technical assistance, refer to the *General Satellite Program Instructions for the Stake Technology Specialist*, staketech.lds.org, or mhstech.lds.org.

Troubleshooting assistance can be provided only if a telephone is available at the satellite receiver location.

Closed-Captioning

Closed-captioning for the hearing impaired is available in many areas. Where available, it is provided in English on closed-caption channel 1 (CC1), in Spanish on closed-caption channel 2 (CC2), and in Portuguese on closed-caption channel 3 (CC3). If closed-captioning is available in your area, please set up a television set for those who need this service. For technical assistance, call the help desk at the number listed in the *General Satellite Program Instructions for the Stake Technology Specialist*.
