Subject: Broadcast Information for “Commemorating 100 Years of Seminary”

---

THE CHURCH OF  
**JESUS CHRIST**  
OF LATTER-DAY SAINTS

A special program, “Commemorating 100 Years of Seminary,” will be transmitted over the Church broadcast system on Sunday, January 22, 2012, with subsequent rebroadcasts to many areas of the world. All seminary-age youth, their parents, and their leaders and seminary teachers are invited to attend. President Boyd K. Packer, President of the Quorum of the Twelve Apostles, will be the featured speaker.

The attached materials include broadcast information for the Church satellite system, the Internet, and other media. This information is also available online at [broadcastinfo.lds.org](http://broadcastinfo.lds.org).

This notice, with attachment, is being translated and will be distributed to units identified as Albanian, Armenian, Bulgarian, Cambodian, Chinese, Czech, Danish, Dutch, Finnish, French, German, Hungarian, Indonesian, Italian, Japanese, Korean, Latvian, Mongolian, Norwegian, Polish, Portuguese, Romanian, Russian, Samoan, Spanish, Swedish, Thai, Tongan, Ukrainian, and Vietnamese. Distribution in these languages will be complete within two weeks. Additional broadcast languages may be listed in the attachment. Please notify units whose leaders or members speak these languages so that all who are invited may know when to attend the broadcast in their language. If leaders need this notice in languages not listed above, they may contact the Area Presidency or the member of the Presidency of the Seventy who supervises the area. Area leaders can forward requests to Church headquarters (1-801-240-2933).

## General Information

### Selecting a Viewing Time

Program start times are listed in mountain standard time (MST) and Coordinated Universal Time (UTC). MST is the time in Salt Lake City, Utah. UTC is the international time standard. You will need to calculate your local viewing time based on MST or UTC.

Please select the viewing time that best serves the members in your area. You may write the date and time on the *Satellite Program Information for the Stake Technology Specialist*, located after this schedule, if you choose. The broadcast may be recorded and then viewed at another time.

### Closed-Captioning

Closed-captioning for the hearing impaired is available with the satellite broadcast in many areas. Where available, it is provided in English, Portuguese, and Spanish. If closed-captioning is available in your area, please set up a television set for those who need this service. Closed-captioning is not available on the Internet.

### Note

This document is subject to change. See [broadcastinfo.lds.org](http://broadcastinfo.lds.org) for updates in English. For updates in other languages, contact the assigned administrative office.

Time: \_\_\_\_\_

### Equipment Information

Satellite receivers are preprogrammed. No adjustments are necessary. Languages are preprogrammed in the receivers.

For general information about setting up equipment for a broadcast, refer to the *General Satellite Program Instructions for the Stake Technology Specialist*, which should be located near the satellite receiver. These instructions may be updated or redistributed during the year.

Please set up your EJ10 adapter box (crab box) or Transmission Telephone Audio Interface (TTAI) in case an audio backup is needed during the broadcast.

For information about technical assistance, refer to the *General Satellite Program Instructions for the Stake Technology Specialist*, [staketech.lds.org](http://staketech.lds.org), or [mhstech.lds.org](http://mhstech.lds.org).

Troubleshooting assistance can be provided only if a telephone is available at the satellite receiver location.

### Closed-Captioning

Closed-captioning for the hearing impaired is available in many areas. Where available, it is provided in English on closed-caption channel 1 (CC1), in Spanish on closed-caption channel 2 (CC2), and in Portuguese on closed-caption channel 3 (CC3). If closed-captioning is available in your area, please set up a television set for those who need this service. For technical assistance, call the help desk at the number listed in the *General Satellite Program Instructions for the Stake Technology Specialist*.
