Church Broadcast Schedule for Viewing in Meetinghouses

Worldwide Leadership Training Meeting

Saturday, February 11, 2012

Program Length: 2 Hours

General Information

Selecting a Viewing Time

Program start times are listed in mountain standard time (MST) and Coordinated Universal Time (UTC). MST is the time in Salt Lake City, Utah. UTC is the international time standard. You will need to calculate your local viewing time based on MST or UTC.

Please select the viewing time that best serves the invited leaders in your area. You may write the date and time on the *Satellite Program Information for the Stake Technology Specialist*, located after this schedule, if you choose.

Closed-Captioning

Closed-captioning for the hearing impaired is available with the satellite broadcast in many areas. Where available, it is provided in English, Portuguese, and Spanish. If closed-captioning is available in your area, please set up a television set for those who need this service. Closed-captioning is not available on the Internet.

Notes

1. This satellite broadcast will be encrypted. If your satellite receiver has been replaced since the October 2011 general conference broadcast, please verify that the receiver is registered by contacting your facilities management group or calling the help desk directly at the number listed in the *General Satellite Program Instructions for the Stake Technology Specialist*.
2. This broadcast will also be available on the Internet for viewing in meetinghouses. For more information, see the "Internet" section of this document.
3. This document is subject to change. See broadcastinfo.lds.org for updates in English. For updates in other languages, contact the assigned administrative office.
