

Family Group Record (Simplified Version)

This form is for peoples or cultures that do not have birth, marriage, and death records for their ancestors.

Before temple work can be done, you must write information in each box marked with an asterisk (*). Please write all events, dates, and places that you know. If you do not know an exact place, write the country. Do not estimate dates if you have no date information.

Husband		Other marriages <input type="checkbox"/> (see notes)
