

**I can have the Savior's  
image in my countenance  
(see Alma 5:14).**

Color the mirror and cut it out.  
Glue a craft stick or thick piece  
of paper to the back to make it  
sturdy. Hold the mirror and look  
into it. As you do, tell someone  
some things you can do that will  
help others think of the Savior  
when they see you.
