

Heavenly Father can help me do difficult things (1 Nephi 17:7-19, 18:11-21).

Make a pop-up boat by first coloring the pictures and then cutting out the rectangle and the boat. Fold the rectangle in half on the dotted line. Fold the dotted lines on the bottom part of the boat, and glue the marked tab to the back of the boat, as illustrated. Glue the boat to the rectangle by matching the numbered sections.
