

Besimi është të besojmë në gjëra që nuk mund t'i shohim (Ethëri 12:13-15, 20-21).

Priti drejtëndëshin dhe katrorët individuale. Palose drejtëndëshin te vija e ndërprerë që figurat të mund të ngrihen. Përputhi fletët me njerëzit të cilët panë mrekulli për shkak të besimit të tyre.
