

Fiume Missouri

A black and white map of the state of Missouri. The Missouri River is shown as a thick black line flowing from the top left towards the bottom right. The word "MISSOURI" is printed in large, bold, uppercase letters in the center of the state. In the lower-left quadrant, two counties are highlighted with rectangular boxes: "CONTEA DI CLAY" is the upper box, and "CONTEA DI JACKSON" is the lower box. A small black dot representing the city of Independence is located within the Clay County box. Two thin lines with arrowheads point from the county names to their respective boxes. The text "Fiume Missouri" appears twice, once in the upper left and once in the lower right, near the river's course.
