Pobarvaj risbe in izreži lik po zunanjih neprekinjenih črtah. Lik prepogni po pikčastih črtah in zlepi zavihke, da boš oblikoval kocko. Kocko vrzi in poglej, katera risba se pokaže na vrhu. Preberi odlomek iz svetih spisov, da boš izvedel več o tem, kaj je bilo narejeno na tisti dan stvarjenja.
