

REST IN PEACE

By L. Susan Dobmann

*O beloved, now departed
from the world, sweet release.
Cares of life, pain and sorrow
harm no more, rest in peace.*

*Spirit fled to realms eternal,
with the Savior to repose.*

*Watching, waiting, till I follow,
reuniting at life's close.*

*O departed, loved so tender,
now with loved ones far away.
In the arms of Heavenly Father,
never leave, always stay.*

*Child of God, loved forever,
may your memory never cease.*

*O beloved, now departed
from this world, rest in peace.*
