

MATT AND MANDY

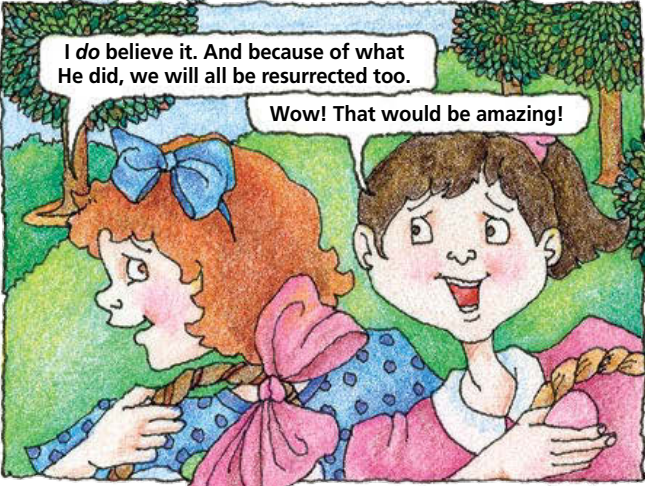

I love Easter and Halloween because I get candy.

And especially Easter because of Jesus's Resurrection.

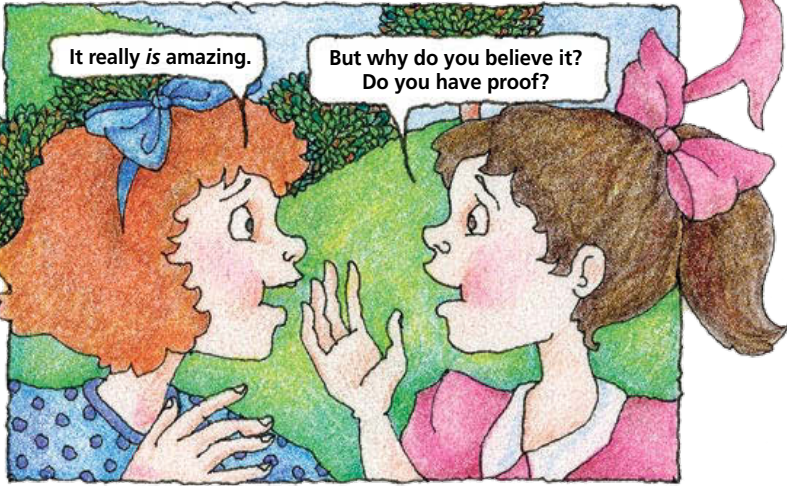

You mean you really believe that Jesus . . . ?

That He rose from the dead? Yeah.

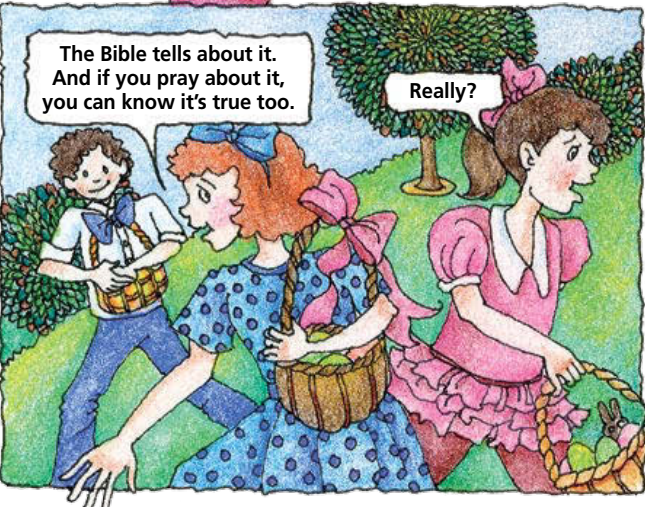

I do believe it. And because of what He did, we will all be resurrected too.

Wow! That would be amazing!

It really is amazing.

But why do you believe it? Do you have proof?

The Bible tells about it. And if you pray about it, you can know it's true too.

Really?

Why don't you try it?

I'll think about it—after we finish finding these eggs.
