

How I Use the *Friend*

I like the story “Will’s Great Idea” (June 2014). I used the picture of the temple and put it by my bed. Every night when I go to sleep, I see the picture and think about temples around the world. Then my picture reminds me to pray.

Dear Friends,

This month we’re sending you a special activity to help you get ready for Easter. You can find it on page 24. Be sure to start it on Sunday, March 29. Then you’ll be able to finish it by Easter Sunday, April 5!

Jesus loves you!

The *Friend*

Was there a letter or a story in this month’s issue that helped you? Tell us about it. Turn to page 48 to find out how.

Studying the Scriptures

I read the article “The Dance Can Wait” (Jan. 2014). It showed me how much I love the Book of Mormon and what a great blessing it is to have, especially now that I’m a priesthood holder. I read the Book of Mormon every night, and I have a good feeling each time I read and study the scriptures.

Feeling the Spirit

I really like reading the *Friend*. It makes me feel the Spirit. I want to read it every day after I get home from school.

Reading to My Sister

One night I was reading the *Friend* and my little sister came in to say good night. I wanted to do what I thought Jesus would do, so I asked if she wanted to read the *Friend* with me. She said yes. Because she can’t read yet, I read to her. Thanks for making the *Friend*!
