

First Nephi made tools. Then he started building. Nephi's brothers Laman and Lemuel complained. They didn't believe he could build a ship.

Nephi knew their family could trust Heavenly Father.

When the ship was finished, Nephi's family began their ocean journey. One day Laman and Lemuel got angry with Nephi and tied him up. A big storm came and blew the ship back. The brothers repented, and Nephi guided the ship safely on its way.
