

MATT AND MANDY

Mandy is busy with her campaign for student council.

Matt promised to help. But he's been spending a lot of time getting to know his cousin Max in Australia.

Hey, Matt.

Hey what?

You said you'd help with my posters.

I could really use your help now.

I did promise.

Be right there!

How's this?

That's great.

Hope you won't mind hanging on the wall at school for two weeks.
