

# EMERGENCY

# Scavenger Hunt

By Kenzi Parsons

The scriptures say, "If ye are prepared ye shall not fear" (*Doctrine and Covenants 38:30*). You can help your family prepare by collecting supplies for an emergency kit. Use this scavenger hunt to find items in your home. Ask a parent to help you add them to your kits.

## Tools

- Something to open cans with
- Something that gives light
- Something to clean your hands with

## Comfort

- Something to read
- Something to play
- Something to hug

## Dry foods

- Something crunchy
- Something chewy
- Something for dessert

## Canned foods

- Something sweet (hint: think fruit)
- Something with meat
- Something with veggies

## Preparedness Trifle

You could make this treat from food in your emergency kit. Be sure to get an adult's help.

**2/3 cup powdered milk powder mixed with 2 cups bottled water**

**1 small box instant vanilla pudding**

**1 box animal crackers or other cookies, crumbled**

**1 small jar raspberry jam**

**1 small can mandarin oranges (drain before using)**

1. In a medium container with a tight-fitting lid, combine milk and instant pudding. Put the lid on tight and shake for about 3 minutes.
2. Layer the ingredients in a bowl in this order: half the cookies, 1 cup pudding, the jam, the rest of the cookies, the rest of the pudding, and the oranges.

## What else do you want in your emergency kit?

As you gather your kits, make sure each person has water and food for three days, a blanket, and a change of clothes.
