

# Family Night FUN

Here are some ideas you could use for home evening.

## SONG:

"Close as a Quiet Prayer" (page 7)

## SCRIPTURE:

Luke 11:9-10

## ACTIVITY

- Together, read a story in this month's magazine about prayer (see pages 4 or 22). Why is prayer important?
- Give everyone in your family a white pillowcase and permanent markers. Decorate the pillowcases with words and pictures about prayer. (Make sure to help little kids not make too much of a mess!) Or draw a picture on paper to hang by your bed.
- Use the artwork to remind your family to pray every morning and night. Heavenly Father loves you and wants to hear from you!

(See \*CFM, pages 35-36.)

## FIG COOKIES

Figs are one of the foods Jesus talks about in the Bible. Here's an easy recipe you can make to celebrate what your family is learning about the New Testament this year!

1. Combine 1 cup dried figs, 1/2 cup raisins, 1 cup quick oats, and 1/2 cup shredded coconut in a food processor.
2. Blend until it no longer sticks to the sides of the bowl.
3. Take the dough and roll it into a log shape. Slice the log into 12 cookies.
4. Put 1/2 cup shredded coconut in a bowl. Coat each cookie in the coconut. Enjoy your cookies!

## MORE IDEAS

- Play the "Lots of Ways to Say 'I Love You'" board game (pages 24-25).

- Use page 21 to learn about the Sermon on the Mount. (See \*CFM, page 34.)

- Find Italy on a map, and then take an evening walk like the Italians do! (See page 14.)
