

Heavenly Father's **PLAN of HAPPINESS**

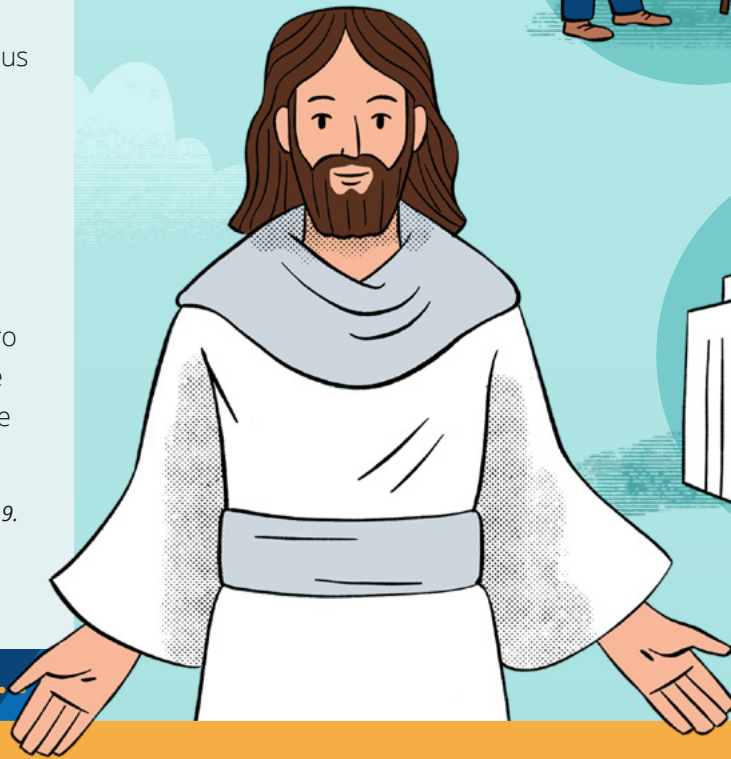

**By President
Henry B. Eyring**
Second Counselor in
the First Presidency

Heavenly Father loves you. You are His child. He gave you Jesus Christ as your Savior. The Savior watches over you with love.

In the spirit world, before you were born, Heavenly Father gave you the choice to accept or reject His plan of happiness. He did this because He loves you. We chose to follow His plan. The happiness He wants for you is eternal life. It is the greatest of all His gifts. ●

"Pray to your Heavenly Father night and morning. Remember the covenants you make when you are baptized and when you go to the temple. Then you will have the happiness Heavenly Father wants for you."
