

Jesus Helped in Many Ways

Jesus spent His life serving and teaching others. When Jesus was younger, He helped His father with his carpentry work. One of His first miracles was helping His mother when the wine had run out at a wedding. When He saw someone who was blind, He healed him. He helped children feel loved and included. We may not perform the same miracles Jesus did, but we can follow Jesus's example by looking for ways to help in the best way we can. ●

I CAN HELP TOO

○ What is a skill you have that you can use to help someone?

○ Say a prayer and make a plan to help.

○ Do your plan!

I love helping in the kitchen to create recipes. I love animals, and that is why I love helping my grandfather feed them. That's how I help!

Elierys R., age 9, Puerto Rico

How are you trying help others, like Jesus did? Write and tell us.

Cut out this card to remind you to keep helping like Jesus.
