

Write a Psalm

Write a poem or song like people in the Bible did! It doesn't have to rhyme. Fill in the blanks to help you get started.

Jesus is my _____.

He helps me _____.

He created _____ and _____.

He blesses me with _____.

I will follow Jesus by _____.

Nature Challenge

Some psalms talk about Heavenly Father's creations. Go on a walk or visit a beautiful place outside. Can you make up a song about what you see?
