

# Elder Soares Visits Colombia

Elder Ulisses Soares traveled with President Dallin H. Oaks to help dedicate a new temple in Colombia, in the city of Barranquilla [bar-an-KEE-ya].

Many children came with their parents to see the new temple be dedicated.

Soon children will be able to go inside to be sealed to their families and do temple baptisms!

President Oaks invited a boy and girl to help seal the cornerstone in place. The temple was finished!

Inside the temple after the cornerstone ceremony, Elder Soares gave a talk. Then President Oaks gave a prayer to dedicate the temple to the Lord. Now the temple is the Lord's house.

Whatever you do, keep your eyes on the temple.
