Ke Eng Re Thloka Baporofiti?

Ka gore Rraetsho yo o kwa Legodimong o rata bana ba Gagwe, Ga a ba tlhogela go tsamaya mo botshelong jwa lefatshe le ba sena tshupegetso le kaelo. Dithuto tsa ga Rraetsho yo o kwa Legodimong ga se tlwaelo, tse di itsegeng, di amogelesegile ele mofuta yo o ka o selang mo bukaneng kwa marekisetsong a dibuka a selegae. Ke tsa Motshidi wa Selesiale yo o maatla-otlhe, a na le kitso-yotlhe yo o ratang bana ba Gagwe. Go tswa mo malatsing a ga Atamo, Modimo o buile go bana ba Gagwe ka diorakele (metswedi ya botlhale) eo e rebotsweng ka go senola thato ya Gagwe le kgakololo go ba bangwe. Baporofiti ke barutuntshi bao ba ba tlhotlhleditsweng mme ba nna ka metlha ele basupi ba ga Jeso Keresete (bona D&C 107:23). Baporofiti ga ba bue fela go batho ba nako ya bone, mme gape ba bua le batho ka nako tsotlhe ka bophara. Manswe a bone a boalediwa ka dingwaga tsa makgolo ele kgolagano ya thato ya Modimo go bana ba Gagwe.

Fa Modimo a bua, O dira jalo go ruta, go tlhotlheletsa, go tokafatsa, le go tlhagisa bana ba Gagwe. Fa ka bongwe kana re le batho re itlhokomolosa ditaelo tsa ga Rraetsho yo o kwa Legodimong, re dira jalo ka bodiphatsa jwa teko, khutsafalo, le perek.

Ke sone se a sa re latlhang gompieno mme a tsweletseng ka go senola thato ya Gagwe ka baporofiti ba Gagwe. Phelelo ya rona le phelelo ya lefatshe la rona e ikaegile mo go utlweng le go sekegeleng lefoko le le senotsweng la Modimo go bana ba Gagwe.

Ditaelo tse di senang tlhwatlhwa go batho ka bophara di fithelwa mo Baebeleng, Buka ya ga Momone,

Go bao botlhe ba ba ipotsang gore a selo seo se ka nna teng—bao ba ka nnang ba botsa gore, “A go a kgonega gore Modimo a bue le rona gompieno?”—ka pelo yame yotlhe Ke go laletsa gore “otle o bone” (John 1:46). Bala lefoko la Modimo jaaka fa le fitlhelwa mo mafokong a tumelo. Reetsa konferense ya kakaretso ka tsebe e e eletsang go utlwa lentswe la Modimo leo le filweng ka baporofiti ba Gagwe ba malatsi a bofelo. Tlaya, utlwa, mme o bone ka pelo ya gago! Ka le mo maatleng a, Ke a itse gore Jeso Keresete o a tshela e bile o supegetsa Kereke ya Gagwe ka moporofiti yo o tshelang, le tota ka Moporesidente Thomas S. Monson.
