

Temple Square Garden Tours for the 2013 Season Began April 1st

Garden Talks in the Historic Brigham Young Park will run June 5th through August 28th, 2013.

Regular tours will run weekdays and Sundays through September. They are open to the public and require no reservations.

However, groups also have the option of **calling 801-240-5916** to schedule a **private tour** for any time that is convenient. We would also appreciate notification of a large group planning to attend one of the regular tours so the guide can prepare accordingly.

The **regular tour schedule** is as follows:

- 1. Tour of the Church Office Building plaza** and areas around the Joseph Smith Memorial Building, the Church Administration Building, the Lion House, and the Beehive House.
Monday through Friday, 11:00 a.m. Visitors meet the guide inside the south lobby of the Church Office Building.
Wednesday evening, 7:00 p.m. Visitors meet the guide outside the south doors of the Church Office Building.
Sunday morning, 10:30 a.m., following the Tabernacle Choir broadcast. Visitors meet the guide at the **east gate of Temple Square.**
- 2. Tour of Conference Center Roof Gardens**
Monday through Friday, 10:00 a.m.
Visitors meet the guide inside door 15.

For questions about taking the tours, becoming a garden tour guide, or attending Garden Talks in the Brigham Young Historic Park, call 801-240-5916. (See next page for the 2013 Garden Talks schedule.)
