This meeting will take place on September 29, 2019, and features President M. Russell Ballard.

Enclosed are instructions for leaders for the meeting on September 29, 2019. The broadcast video should be shown during class time. The broadcast lasts 48 minutes. Please encourage members to arrive on time so they don't miss important information.

Children and youth (those turning 8–18 in 2020) and all adults are invited to attend. The broadcast video will be available prior to September 29 in the following languages: ASL, Cantonese, Cebuano, English, French, German, Hiligaynon, Ilokano, Italian, Japanese, Korean, Mandarin, Portuguese, Russian, Samoan, Spanish, Tagalog, and Tongan.

In stakes scheduled to hold stake conference on September 29, 2019, stake presidents should identify a date for wards to review the broadcast video as soon as possible after September 29. Leaders of young single adult and single adult wards and branches should consider the needs of their members and decide whether or not to view the broadcast.

Gong.

This notice, with enclosure, is being translated and will be distributed to units identified as Chinese, Chinese (Simplified), French, German, Italian, Japanese, Korean, Portuguese, Russian, Samoan, Spanish, and Tongan. OF LATTER-DAY SAINTS

## **One meeting for all children, youth, and adults**

Although a previous notice announced separate meetings for children and youth and for adults, children and youth (those turning 8–18 in 2020) and all adults should meet together during the class time of regular Sunday meetings. If necessary, the meeting can be held in two or more rooms to accommodate the size and circumstances of the unit. If it is necessary to divide into two rooms, members of a family should participate together.

## **Before the event**

The bishopric should prepare for the meeting by:

- Downloading and viewing the video broadcast before the meeting. The video will be available at [ChildrenandYouthLeaders.ChurchofJesusChrist.org](http://ChildrenandYouthLeaders.ChurchofJesusChrist.org).
- Preparing a room or rooms to host the meeting.
- Having enough pencils or pens for all the children and youth in your unit (turning 8–18 in 2020) to complete an activity in the *Introductory Guide for Children and Youth* during the meeting.
- Making sure that sufficient copies of the *Introductory Guide for Children and Youth* are available to be handed out as children and youth enter the meeting. This guide will be shipped to your unit with the *Introductory Guide for Parents and Leaders* before September 29. If the materials do not arrive on time, please print the enclosed activity page for all the children and youth in the unit.
- Preparing copies of the *Introductory Guide for Parents and Leaders* to hand out at the end of the meeting. The unit should have received one copy for every household with children or youth, as well as one for members of the bishopric and the Primary, Young Women, and Young Men presidencies. After these members have received copies, extra copies may be given to other adults in the ward, including youth advisers and Primary teachers. The guide can also be accessed online in the days before the event and also after at [ChildrenandYouth.ChurchofJesusChrist.org](http://ChildrenandYouth.ChurchofJesusChrist.org) and in the Gospel Library.
- Coordinating with the Primary presidency to allow as many Primary leaders and teachers as possible to attend the meeting, while ensuring that Primary is adequately staffed for children who will not turn 8 or older in 2020. Leaders and teachers who serve in Primary during the video broadcast can view it later at [ChildrenandYouth.ChurchofJesusChrist.org](http://ChildrenandYouth.ChurchofJesusChrist.org).

## **How to view the broadcast video**

Leaders should download and test the broadcast video prior to September 29 at [ChildrenandYouthLeaders.ChurchofJesusChrist.org](http://ChildrenandYouthLeaders.ChurchofJesusChrist.org). *Showing the downloaded video will provide the best*

## **Instructions for the September 29, 2019, Special Broadcast**

*viewing experience.* If needed, units could also use one of the following methods:

- Flash drives: In areas with less-reliable internet connections, units that have received flash drives for past broadcasts will again receive a flash drive containing the broadcast video.
- Satellite: Satellite transmissions will be available. The broadcast will begin 10 minutes after each hour (units that begin Church meetings on a half hour will not be able to view the broadcast by satellite). See the enclosed schedule for more information.
- Streaming: Streaming the broadcast from the internet during the meeting may be possible but could result in a poor viewing experience.

### **During the event**

- Encourage families to sit together. Be conscious of children and youth who do not have family members present, and invite them to sit with another family or with other adults.
- The bishop or an assigned counselor conducts the meeting, briefly explaining that the video broadcast will not share every detail about the Children and Youth effort but will focus on vision and principles. The video broadcast lasts 48 minutes, so the meeting and video must begin quickly.
- The broadcast includes a short activity, located in the *Introductory Guide for Children and Youth*. Hand out pencils or pens and the *Introductory Guide for Children and Youth* to all children and youth as they enter the meeting.
- Parents and leaders should help children and youth work on the activity at the designated time during the broadcast.
- Hand out printed copies of the *Introductory Guide for Parents and Leaders* to parents and leaders (see “Before the Event,” above) as they leave the meeting. Additional copies can be given to other adults as available and can be accessed online.

### **After the event**

- Encourage parents to help their children and youth complete the activity at home. Invite parents and leaders to discuss with children and youth what they want to do to grow spiritually, socially, physically, and intellectually.
- Access information at [ChildrenandYouth.ChurchofJesusChrist.org](http://ChildrenandYouth.ChurchofJesusChrist.org) and in the Gospel Library.
- Encourage children, youth, parents, and leaders to prepare to learn more at the Face to Face event, featuring Elder Gerrit W. Gong, on November 17, 2019. Where possible, wards and branches could arrange to gather and watch the event together.
- Remember that official implementation of the new effort will begin on January 1, 2020, with additional languages to follow in March 2020.

# FOLLOWING THE SAVIOR IN ALL AREAS OF YOUR LIFE

Heavenly Father wants you to learn and to grow. He sent His Son, Jesus Christ, to be the perfect example for all of us in every way. The scriptures teach that in His youth, “Jesus increased in wisdom and stature, and in favour with God and man” (Luke 2:52).

Jesus Christ developed in all areas of His life—**spiritually** (favor with God), **socially** (favor with man), **physically** (stature), and **intellectually** (wisdom) —and so can you!

What are you already doing in these areas? Start thinking about what you want to improve or start doing.
