What Would Jesus Do

Words by Heather Burton and Wayne Burton

Cheerfully

All around my world I see Others who are leading me,

So I ponder carefully What would Jesus do? Others who are leading me,

With a question in my heart, Teaching me the better part, What would Jesus do?

I'll know what to do and say, I'll be led along my way If I ask myself each day

What would Jesus do? And with love, I'll then obey. That's what He would do
