Turn my wan-der-ing feet, dear Sav-ior, As they leave thy path and stray.
Let no sin___ or world dis-trac-tion Cause mine eye to glance a-side.
Help me ev-er en-dure with pa-tience, Lose not hope a-long the way.
Give me faith___ to walk life's path-way; Bless me with hu-mil-i-ty.

Help my steps be true, un-wav-'ring, Walk the strait and nar-row way.
Help me al-ways strive to keep the Ho-ly Spir-it as my guide.
Send thy grace to give me pow-er, Press-ing for-ward day by day.
Take my hand and gent-ly lead me Home a-gain to dwell with Thee.
