

Let All Who Sleep, Rejoice

By Brian Shirts

Let all who sleep, rejoice;
Deliverance is at hand.
The bands of death will soon be burst –
Sing praises to the Last and First.
All souls who sleep, rejoice!
Rejoice! Rejoice!
All souls who sleep, rejoice!

Let all in prison rejoice,
For your salvation comes.
Your Savior sends his angels on –
Repent and join the blessed throng.
All souls in prison, rejoice!
Rejoice! Rejoice!
All souls in prison, rejoice!

Soon all shall hear, "Rejoice!"
Our Christ will rise again.
In spirit and in mortal sphere,
Christ is the Lord; all souls give ear.
All souls who hear, Rejoice!
Rejoice! Rejoice!
All souls who hear, rejoice!

Let all the worlds rejoice;
The great work has begun.
Those who have been, those who will come –
Be saved through Israel's Holy One.
In every world, rejoice!
Rejoice! Rejoice!
In every world, rejoice!
