Like the jewel you are
You're like a mighty ocean

Sometimes you'll make mistakes
Trapped in a hurricane

But when it feels like you've lost all your chances
Though the winds may be blowing around you

There you are rising up through the ashes
There is nothing that could ever drown you

Come what may Come what
may You are strong
Strong e - nough to make it through what - ever comes

You'll be a - mazed what you can do You're a force you're a fight - er

A pre - cious daugh - ter of God And He made you

strong And He made you strong
You're a fighter
A precious daughter of God

You'll be amazed what you can do
You're a force

You are strong
Strong enough to make it through whatever comes

He made you strong
